The complaint, which will be filed by Clifford Thorne, attorney for the as-sociation, is directed against Walker D. Hines. Director-General of Railroads, and \$16 defendant railroad corporations as common carriers, subject to Federal control. The complainants allege there is discrimination in favor of the pack-ers as railroad shippers and they ask for a modification of rules and tariffs

wholesale grocers are asking the Inter-state Commerce Commission to crack is the fact that the packers have secured changes in railroad tariffs, which permit them to put into their pedier and refrigerator cars, with shipments of meat, all kinds of groceries and foodstuffs. Having a special expedited service for the cars they are able, the com-plainants say, to guarantee delivery of groceries in a day or two from the time he order is received, while shipments

from wholesale grocers are delayed from two to ten times as long in transit. The fear has long been expressed in the wholesale grocery trade that if this kind of railroad service is permitted to be kept up, it will not be long before the big packers will have absolute control of the wholesale grocery business as well as the wholesale meat business. The wholesale grocers insist in their omplaint that these other food products should not be shipped with fresh meats and vegetables, as the regulations permitting the packers to enjoy these ad-vantages result in unjust discrimination.
